

Senate Bill No. 419–Committee on
Health and Human Services

CHAPTER.....

AN ACT relating to persons with disabilities; creating the Nevada ABLE Savings Program as a qualified ABLE program under the federal Achieving a Better Life Experience Act of 2014; authorizing the creation of a program within the Aging and Disability Services Division of the Department of Health and Human Services to provide independent living services and assistive technology for persons with disabilities who need independent living services; revising the terms of members of the Nevada Commission on Services for Persons with Disabilities; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Recently enacted federal law allows for the creation of tax-advantaged savings accounts for persons who have certain qualifying disabilities. Under the program, any person, including family members, may make a contribution to the account of a person with a qualified disability. Any interest or other growth in the value of the account and distributions taken from the account are tax free. The maximum amount that can be contributed tax free to the account of a qualified person is \$14,000 per year. Distributions from the account may only be used to pay expenses related to living a life with a disability and may include such things as education, housing, transportation and employment training and support. Money in the account or distributions from the account do not affect the eligibility of a person for certain public benefits such as Social Security disability payments, Supplemental Nutrition Assistance Program benefits and Medicaid. To qualify for these benefits, the savings account into which contributions are made on behalf of a qualified person must be established and maintained by the qualified person’s state of residence. If a state chooses not to establish its own program, it may contract with another state that has adopted a qualified program. (Achieving a Better Life Experience Act of 2014, 26 U.S.C. § 529A) **Sections 2-15** of this bill require the State Treasurer, in cooperation with the Aging and Disability Services Division of the Department of Health and Human Services, to establish or otherwise ensure the establishment of the Nevada ABLE Savings Program as a qualified program pursuant to 26 U.S.C. § 529A.

Existing law creates the Aging and Disability Services Division within the Department of Health and Human Services and requires the Division to work with persons with disabilities, persons interested in matters relating to persons with disabilities and state and local governmental agencies to develop and improve policies of this State concerning programs and services for persons with disabilities. (NRS 427A.040) **Sections 18 and 19** of this bill authorize the Division to establish a program to provide independent living services and assistive technology for a person with a disability who needs independent living services.

Existing law creates the Nevada Commission on Services for Persons with Disabilities, which consists of 11 members appointed by the Director of the Department of Health and Human Services. (NRS 427A.1211) **Sections 21 and 22** of this bill make revisions to the terms of the members of the Commission to ensure that the terms of the members of the Commission are staggered.
